

### 4WDbits News

#### Events

The winch challenge scene has been pretty active over the last few months. Unfortunately we haven't been able to enter any. We still have a lot of work to be done on the Nissan before being ready to even leave the shed, except on a trailer.

2012 isn't looking to active on the North Island winch challenge scene, first event looks like being the

Superwinch 24 hour teams challenge in Auckland at Easter.

The South Island winch challenge series is a lot more active at present and I believe the South Island event calendar is already quite full. Some of the competitors are combining winch challenge with off road racing resulting in events almost every other weekend.

We expect to be out doing club runs to prove reliability early 2012, then on to some off road racing again, teams event at Easter and then see how the Nissan is holding up.

See you on the track.

#### Christmas Gift Ideas

We have a bunch of bits on special for the Christmas period including compressors, tyres and rims. Our gift vouchers are also proving

popular, these are a value of your choice and only cost \$0.60 for delivery. Gift vouchers can be used for anything from our online store,

including freight, you don't have to spend it all at once and you can use it as part payment, the perfect gift.

#### Competition

The 'My 4WDbits' competition is all over now. Congratulation to Hayden from Cambridge for

entering the winning picture. Hayden will receive his prize in the next few days, a few useful

items for when he ventures off the track next.

### New 4WD bits

#### Extremeaire Magnum Compressor

The ExtremeAire Magnum is now in stock,, available in 12 and 24 volt this mean machine pumps 2.6 CFM at 100 psi. The Magnum compressor features

the usual ExtremeAire features of 100% duty cycle, over sized UNI air filter and can be mounted at any angle. It comes with a one way check

valve for use with air tanks. If you want an air supply nearing garage proportions, this is the beast for you.

#### DVDs and Books

We now have more DVDs and books available than ever.. Our books cover off-

roading, hunting, tramping camping and cooking. DVDs include Cliff hanger, ARB 4x4 Extreme and The

Golden Age of Motorsport covering racing with greats Amon, Brabham, Hill, McLaren, Stewart and Surtees.

#### Glass Breaker

Ever wondered what would happen if you're in an accident and the windows and doors won't open? Our glass breakers

are the perfect escape tool and are in fact standard equipment in many rentals in the Northern hemisphere. The

glass breaker incorporates a seat belt cutter and is a simple, cheap and potentially life saving tool.
