Note - Thread lock must be used when mounting ABS Bracket

## Parts

- 2 x ABS bracket
- 2 x 6mm Set Screw
- 2 x 6mm Washer
- 2 x 6mm Spring washer
- 2 x Extension sleeve

Between the early and late model R50 pathfinder models there is a difference of thickness in the Vehicle mounting Plate. The sleeve is then utilised to fill the gap in the earlier model and enable the use of the full thread.
